You're going to love Girls Inc's summer of "Girl Knowledge"!! There will be fun, educational field trips every week along with great activities that give girls "common sense" knowledge about life skills, etiquette, hygiene, finance and other topics that are important for girls to grow up to be "Strong, Smart and Bold. Everything from writing a resume and addressing an envelope to learning how to run a small business or pick a career.

Reserve your space today!! Spaces fill quickly for a summer of unforgettable fun!

About Girls Inc.

Girls Incorporated is a national non-profit organization, serving girls primarily in low to medium income communities, providing innovative and fun programming at a reasonable cost to parents.

Check our website at www.girlsincontra costa.org

Programs and activities are selected to encourage girls to develop high self-esteem and confidence in areas such as math, science, technology and the Arts.

Girls enjoy a fun, fast-paced environment where they build lasting friendships and experience fun activities created just for them.

Parents enjoy knowing their daughter is in a fun, interesting and safe environment for the entire Summer.
